# State of Alaska

Department of Transportation and Public Facilities  
Statewide Design and Engineering Services  
Design and Construction Standards

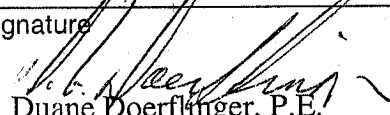

Transmittal Number <b>04-02</b>	Effective Date of this Change <b>January 1, <del>2004</del> 2005</b>	Date Issued <b>November 24, 2004</b>
Distribution <b>To: Aviation Designers</b>		
Publication Title <b>Alaska Aviation Preconstruction Manual</b>		
Originating Organization <b>State of Alaska, Department of Transportation and Public Facilities Design and Construction Standards Statewide Design and Engineering Services</b>		

## Remarks and Instructions

Enclosed is the new *Alaska Aviation Preconstruction Manual* with cover and spine for use with clear overlay type binders.

This manual replaces chapters 24 and 25 of the *Alaska Highway Preconstruction Manual*.

The effective date of these changes is January 1, 2005. All projects that have not reached PS&E review on that date should incorporate these changes. Projects that have progressed beyond the PS&E review stage by the effective date should follow the guidelines that were in effect on the date the PS&E review was published.
